**For your convenience, I offer to you the breakdown of a typical wedding.**

■ **Cocktail Hour**

I will set the mood with music carefully selected to suit your taste.

After the cocktail hour, I will coordinate with your wedding party for the Grand Entrance. Your wedding party will be lined up in the following order:

- Parents of the Bride and Groom (Bride's Parents Leading 1st)
- Bridesmaids and Ushers
- Flower Girl(s) and Ring Bearer(s)
- Maid of Honor and Best Man
- Bride and Groom

Once the wedding party has entered the reception, the bride and groom will be introduced for the first time as husband and wife and will enter in grand fashion.

■ **First Dance**

Directly following your introduction, you will be asked to take the center of the dance floor for the first dance. After a brief dance, I can then invite the parents and bridal party to join in, followed by family and friends.

■ **Toast/Blessing**

After the first dance, the toast and or blessing is given. I can ask all the guests to find their seats and invite the person you have chosen (most likely the best man/maid of honor) to say a few words. ***If a blessing is to be given, this would take place first followed by the toast.***

■ **Dinner**

When it's time for everyone to sit down for dinner, I will ask that everyone finds their seats while I play some nice elegant background music. You can choose to have specific songs played for dinner or leave it up to us to decide.

■ **Cake Cutting**

At this time, I have a vast array of music from which you can choose, unless of course you prefer the traditional "The Bride Cuts the Cake."

■ **Parent Dances (optional)**

First is the Bride/Father dance and second is the Groom/Mother dance. Please see our music list to help find a special song with your parents.

■ **Optional Bouquet/Garter (optional)**

This part of the reception follows the parent dances. This is usually done only if you feel there are enough single guests attending your wedding. Even if you decide in advance that you do not want this part included, I can easily add it to the reception if you change your minds. The bouquet/garter ceremony usually takes just a few minutes.

■ **Dancing**

I can play upbeat music without any further interruptions for the remainder of the event, finishing off the night with a grand finale; you and your guests will wish the night won't end.
